Escambia Christian School Spring 2022

Mondays - Thursdays

Blast off to new heights as we take a STEAM art adventure through time! Grab your Global Art Passport and take flight with us as we travel to destinations far and wide in search of all the art in our world! We will learn about art history from the ancient world to modern day.

We will explore dark caves hiding ancient graffiti and experience the Harlem Renaissance in all its glory. Artists from all walks of life will make an appearance from masters like Picasso and Dali to contemporaries such as Sokari Douglas Camp and Jean Michel Basquiat!
